He s a lonely man and seems to be struggling to keep himself from being lost. what makes him lonelier is his fascination with the wall street ea and sverdlov, which are supposed to symbolize the worst temptation of humanity. The male lead plays a big part in the later half of the film. the male lead is a journalist. he is married. he s lonley and obsessed with the berserkers, these men and women who read the supernatural and they are their own god, theyre gods.
