delivers an unbelievable hockey experience with realistic gameplay and tight controls. User Info: gigabyte16
gigabyte16 5 years ago #2 A typical NHL ice hockey game can include a number of interactive and realistic features that help make it an exciting and fun hockey game. For example, there are three players on one ice team that are all controlled by the player, the on-screen 'bunch' of 3 skaters a goalie and a coaching staff. The other team is also simulated, and so is the level of the ice, the time of day, and the type of wind. A typical NHL ice hockey game can
