songwriter loop pack is designed to impress. With this pack, you'll find 22 signature drum beats and 17 lush chord progressions for that perfect result. The combination of silky, shimmering synth melodies and bubbly synth leads and bass lines adds to the warmth of the track, ensuring it will leave a lasting impression. In addition to the songwriter loops, you'll also find 13 SFX, 1 MIDI, and 1 House Sounds. The pack contains 11-bar loops for the drum kit and chord progressions, with all drums included to ensure no unwanted sounds are edited out. The pack also includes a full BPM for each loop and all files are key and tempo labelled. All drum elements are included: kick, hats, snares, and claps. Features • 22
