Bangalore Days Hindi Movie Dubbed With English Subtitles Download Kickass Utorrent. Category:Bangalore-related lists Category:Entertainment-related listsQ: JQuery stops working after adding angularjs route in ASP.NET MVC 3 In my web page I have a jQuery code which accesses a particular div ID from a another page using ajax. My jQuery works fine if I navigate to the page directly using ajax. It does not work if I go to a particular page first and then access the div using jQuery. Here is my jQuery function that works fine when the page is loaded directly. \$('#pagination').click(function () { var url = '@Url.Action("GetPagedList")'; var action = \$('#pagination a').attr('href'); var urlParsed = parseQueryString(action); var page = urlParsed.page; var perPage = urlParsed.perPage; if (perPage == null) { perPage = "10"; } var filter = urlParsed.filter; var id = urlParsed.id; var sort = urlParsed.sort; var options = ""; if (urlParsed.offset > 0) {
