Download the requested addon. Not bad for a free bot, but it doesn't give you much in the way of customization. In this case the addon is really just a set of scripts, one for each ability that works together. Apr 29, 2016 What is this addon? I've noticed that when I had used the Bot, it had lagged. I did a complete restart and all the settings were reset. It's not lag. It's using all of my processes and not giving me an option to check. Is there a logging option? Feb 19, 2019 Is there an option to check for items or a log option? Feb 24, 2019 I just tried to access the logging options and it's asking for the Bot's host. Is there any way to see the logs without knowing the Bot's host? I'm thinking of getting in touch with the author of the bot and see if he will make a version for WoW3. I will try to be patient since I spent a lot of time putting it together but sometimes waiting a week or two for an answer can really suck. So I'm asking for a refund if I don't receive an answer. So I'm asking for a refund if I don't receive an answer. - I've been playing with this bot, and there is a great UI which lets you see what's in your bags and what's on the ground. I wanted to know if the bot was able to use that tool. - WoW 3.3.5 Patch Notes: All mounts now use the new Bound Mounting mechanic. Nov 25, 2014 I'm looking for Gold Bot or Gold Bot 2. Jul 31, 2014 Is there a way to put custom urls for where to put loot? Dec 27, 2014 Hey @Fungalbot, just wanted to say thanks for making this bot. I've been a lurker for a while but can't get enough XP to reach level 60. Thanks again. Nov 11, 2013 Hey I downloaded the 3.3.5 patch and I can't get it to run. I get a error when I open up the bot that 2d92ce491b
