The logo has been updated since the closed Beta. There have been a number of changes, but since the name 'Sunrider Academy' appeared for the first time in the game's release. The logo is now of the newer, fully 3D model seen in the main game, with the 'Sunrider Academy' text above the logo added. Logo Background Sunrider Academy is a high school student and comes from the fictional city of Junimose, also known as Junimosu. The game is set in the early morning of July 1, and players must attempt to help Kayto find his way home, now that he has been expelled. Development The game was officially announced on September 9, 2015 on the PlayStation 4 development blog. The game was also announced for the PlayStation Vita handheld, which was created solely for the release of Sunrider Academy. The Vita version of the game was developed in collaboration with United Game Artists, who had worked on PS Vita titles such as Cave Story+. A closed beta was held from November 19, 2015 to December 10, 2015. The closed beta included three downloadable content (DLC) packages, known as the Academy Pack. These DLC packages were available to players who pre-ordered the game. In the end, the closed beta had over 34,000 registered players. The official release of Sunrider Academy took place on December 20, 2015. Music Music is a large element of Sunrider Academy. The game includes around an hour of music. The music is available through the PlayStation Store. The music was written by a small team of artists who worked to improve the quality of the soundtrack over the course of Sunrider Academy's development cycle. Reception The game received "generally favorable" reviews from critics, according to review aggregator Metacritic. The game has been rated an average of 8.0 on Metacritic and over 90
